gas regulator into burner.

1. All stainless steel construction.
2. Holland No-Hassle five year warranty.
3. Exclusive patented Holland Grill system prevents flare-ups. Guaranteed!
4. Holland's drip pan is between the food and the flame - so food can't catch on fire. Drippings strike the drip pan and sizzle, giving the food its distinctive Holland Grill flavor.
5. 212 square inches of cooking surface.
6. Expanded stainless steel cooking grid provides plenty of room for your feast.
7. Low/Medium/High adjustable burner settings (2600 btu to 4900 btu).
8. Uses 1 lb. disposable tank (not included). Tank lasts approximately 4 hrs. on High, 5 hrs. on Medium and 6 hrs. on Low.
9. Conversion hose accessory available to use 20 lb. LP tank.

The Companion is great for picnics.

The most revolutionary portable grill available today.
