DESCRIPTION

Star's specialty warmers are perfect for foods such as chili, cheese, spaghetti sauces, gravies, butter, dessert toppings or any other viscous products. Use them in convenience stores, concessions, recreational facilities, restaurants, institutions or wherever you might need to easily serve condiments.

SPECIFICATIONS

Single specialty warmers are constructed with stainless steel corrosion resistant heat wells. A lighted on-off switch, attractive black vinyl clad instruction panel and 6' lead in cord with NEMA plug are standard. Pump models and pump with heated spout versions accommodate a #10 tin or optional SSB stainless steel Bain Marie. Non-pump versions use 4 quart stainless inset with cover or 4 quart stainless steel inset with hinged cover.

WARRANTY

These units come with a one [1] year warranty for parts and labor.

FEATURES

- Single specialty warmers in stainless steel and lighted models warm cheese, chili, fudge or other food products from a #10 tin (3-1/2 qt only), 3-1/2 and 11 quart Bain Marie or 4 quart vegetable insets
- Specialty lighted and stainless front warmers have 3-1/2 and 11 quart wells for heating a variety of viscous food items
- Select from ladle serve units, portion control pumps or pumps with heated spout to match product and serving requirements
- Adjustable thermostat for precise temperature control and storing product at proper serving temperature
- Lighted units have a selection of attractive colorful signs that are easily changed (without tools) to match products and build impulse sales
- Optional stainless steel 3-1/2 and 11 quart Bain Marie or 4 quart vegetable insets with covers or serve directly from a #10 tin (3-1/2 qt only)
