Cash in on the fan-favorite hot dog with the fun and character of Nemco's mini cart merchandisers, designed to fit the space and décor of virtually any countertop or bar. The mini carts have fully adjustable heating controls that let you set and monitor temperatures with ease. Inserts and accessories provide exceptional flexibility and let you adapt well to changing menu items. Standard models steam and hold as many hot dogs as a New York City street cart. This countertop dog wagon presents a fun way to add some merchandising punch!

Standard Features:

- Heavy duty stainless steel construction
- Adjustable thermostat 120° F to 212° F
- Heating system design allows for fast preheat, and extended life of the unit
- Cycling indicator pilot light
- Temperature indicator setting: High, Medium, Low
- Accepts a 12" x 20" full size pan or fractional sizes
- Umbrella, pans & lids come with every unit
- Custom graphics are available
- UL and CUL certified

Accessories:

- 3 standard pan configurations available (or call for additional options)
