

365-GC30-49-A&B-P12 Line-up

The 365 Gelato/Ice Cream Display Case/Showcase features (3) lengths: 43.08" , 63.74" , 84.41" with 5 liter and 12 liter pans. The units have self-contained, air cooled refrigeration, tempered heated double pane glass front & sides, hydraulic tilt back front glass, incline display, rear plexiglass sliding doors. The exterior has front lower glass facia (glass is back painted), digital diagnostic control with programmable defrosting, LED lighting, removable stainless steel deck, silver painted side panels, & 304 high gloss stainless steel back & inside. The gelato pans are sold separately, and featuring a service merchandiser, cooler & dipping cabinet.
